## Check-in & Measuring

### Dog Measurements & Certification

All dogs not jumping 24" in the Championship Program or 20" in the Performance Program at local and regional events must be measured unless they have permanent USDAA or World Cynosport Dog Registration status or a temporary card with 3 signatures as required by the regulations, making the dog eligible for their jump height (prior to 3 years of age). Please note that only dogs 18 months of age may be officially measured.

## Class Descriptions

### Titling Class Rules & Descriptions

One or more titling classes may be held at this Event as described in Chapters 3 - 8 of USDAA Official Rules & Regulations, which are downloadable from [www.usdaa.com/regulations/usdaa-rules-and-regulations.cfm](http://www.usdaa.com/regulations/usdaa-rules-and-regulations.cfm). When held, these regulations and any amendments there to are hereby incorporated by reference.

### Tournament Class Rules & Descriptions

One or more tournament classes may be held at this event. See tournament rules for the description, rules, and start and end dates for the current tournament season qualifying period. Rules for all tournaments may be downloaded on the Internet at <http://www.usdaa.com>. Highlights of the Tournament Regulations are included in a separate note under Class Descriptions. Qualifications in tournament classes count towards versatility titles and Lifetime Achievement Awards.

### Bar None Veterans Jumpers

This non-titling non-qualifying miscellaneous class is for dogs that are eligible to enter USDAA Veterans Jumpers, who are not otherwise entered in any other level of Jumpers on the day they are entering Bar None Veterans Jumpers.

This class shall be run on the same course as Masters/P/III/Veterans Jumpers, with the equipment set to Veterans specifications (no spread jumps) with the exception that all jump bars shall be laid on the ground, making this essentially a 0" (zero inches) jump height option for the class.

Masters rules shall be used by the judge, with the addition that if a jump bar on the ground is physically displaced then it shall be called a standard fault. Scoring shall be time-plus-faults, with placements being awarded in order of the lowest score first. Max course time shall be double the 4"SCT for Veterans Jumpers, after which the dog shall be dismissed from the course with an "E".

No toys or food allowed. Harsh or abusive handling is prohibited. The competitor is allowed a maximum of three attempts at any one obstacle and the competitor must be making an effort to follow the numbered sequence of the course or the judge may elect to dismiss the competitor from the ring.

## Entries & Acceptance

### Policy on Refusal of Entry

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

### NSF Check/Credit Card

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

### Refund Policy

There shall be NO REFUNDS for entries withdrawn after the closing date for acceptance of entries, for absentee, dismissal from the event as a result of disciplinary action, dismissal from a class, or for any other reason. Also, no entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, "act of God", public emergency, strike, or any other cause beyond the control of the host organization.

### Spam Blocker

Confirmations will be sent via email using the secretary's address. If you have a spam blocker on your email account, please configure it to allow email from the secretary's address since confirmations will be sent from this account.

### General Rule on Eligibility

This event is sanctioned by the United States Dog Agility Association, Inc. ("USDAA").

This test is open to all persons with dogs being at least 18 months of age (14 months of age pursuant to Chapter 10 for Intro Program when offered OR for Sanctioned Match), regardless of pedigree or absence thereof, who have a current registration with USDAA and whose owners and the dog's handler are currently in good standing with USDAA.

This event will be held under USDAA® Official Rules and Regulations, a copy of which may be viewed and printed online at [USDAA Rules & Regulations](#), as amended.

### Bitches In Season Policy

Bitches in season are allowed to compete at this event.

They must wear panties at all time in the arena (including when running). They must crate in your car or outside the arena. Please minimize the time spent around the ring so as to not distract other dogs. They will run in order (not at the end).

Thank you for your consideration!

## General Entry Conditions

### Policy on Fault Limits

In the event of a larger entry, fault limits may be set at the discretion of the Organizing Committee and/or Judge without pre-event notice.

## Statement of Responsibility

Competitors alone are responsible for the behavior of themselves, their dogs, children, and guests. A competitor whose dogs, children or guests create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Organizing Committee, be asked to leave the test site.

## Prohibitions on Aids & Devices

No leads, collars, food, toys or other aids or devices shall be permitted on the course at any time, except as provided for in Chapter 10 when Intro Program classes are offered, or in Chapter 8 when Junior Handler Program classes are offered.

## Evolving COVID-19 Environment Health Safety Measures

The health environment related to COVID-19 and its variants are continuing to evolve nationwide. Competitors, show organizers, and guests are urged to remain respectful of individual choices and varied practices that may occur. USDAA recognizes that the biology for each person is different with respect to any illness, and each may have their own preferences on what is necessary for them to return to open events given their personal situation.

Groups may set specific requirements for their events as they deem necessary to provide a safe and enjoyable event for competitors. Because of the many uncertainties, the host Group, USDAA, and event officials can assume no liability related to these risks, and individuals shall be solely responsible for making their own decisions regarding health risk and safety measures taken, or whether to attend the event. Any stipulated requirements by the Group shall be set forth either in a note in the test schedule for the event, communicated in event confirmations (or otherwise by email), and/or posted at the event. Competitors shall expect that a host Group shall enforce whatever rules they set in place under authority set forth in USDAA Disciplinary Rules published in USDAA rules & regulations..

Each person attending this event as an official, volunteer, or competitor shall be solely responsible for and assume liability for their own decisions regarding health risk and safety measures, and each person shall be accountable for their actions relative to any procedures in effect, which may or may not include:

- Maintaining social distancing measures
- Wearing a mask or gloves
- Being aware of items that you may touch and that may have been touched by others
- Washing hands and/or use of hand sanitizers
- Enjoying of food and refreshments, if provided

Additional health and/or safety measures may be required by the facility owner at which this event is being held, or by the Event Organizer. Such statements may be included in this test schedule, in the event confirmation, or posted on site at Check-In for this event. Failure to comply with these requirements, as well as other provisions in this test schedule are subject to disciplinary action as described in Appendix C to USDAA Official Rules & Regulations, which could result in dismissal from the event and/or cancellation of all results from performance at the event, without recourse.

**Further**, if you have been exposed to anyone that may have been exposed or infected with a virus or flu or any other contagious illness within one to two weeks prior to the event, or if you are feeling ill, please take responsibility and stay home and rest.

## Media Release & Rights of Privacy Waiver

### Media Rights Release

I HEREBY GRANT TO USDAA and its affiliated companies, representatives, agents and assigns, all rights and permission to use or appropriate his/her and their dog's name, biography, likeness, photograph, voice, performing persona, or other indicia of identity for broadcast, telecast, cablecast, transmission or distribution in any format or media known now or in the future.

### Waiver of Rights to Privacy, Publicity & Personality

FURTHER, I HEREBY RELEASE United States Dog Agility Association, Inc. and its affiliates, representatives, agents and assigns from any claim or cause of action for invasion of the rights of privacy, right of publicity, right of personality, or any similar right.

### **SMART Members Entry Fee Discount**

If you are a SMART club member in good standing, you are eligible to discount the above class fees by \$1.00 per class entered. Note that team is 5 classes so you may take a \$5 discount off of your team entry fee (if offered). Note that Masters/Performance Challenge Biathlon is 2 classes, so you may take \$2 off your Biathlon entry fee. All other classes you can discount by \$1.

Compute your discount accordingly, and apply the discount by entering a negative number into the "Discount" line on the entry form.

If you are NOT a SMART member, send us a new member form from [www.smartagility.com](http://www.smartagility.com) so you can get the discount next time! More members is better! This is an experiment in making our club members feel more appreciated, and testing your math skills. As always, should you or any of your team be caught or killed, the Secretary will disavow any knowledge of your actions. This tape will self-destruct in five seconds. Good luck.

### **EMAILED/PAYPAL ENTRIES PREFERRED!**

Green/Sustainability Alert!

USDAA has changed their results submission rules for 2019, and secretaries no longer have to submit paper copies of entry forms when the results are mailed into USDAA after the event. This means the following:

-- SMART now heartily encourages e-mailed entry forms! Previously, we had to print them anyway (and in many cases we got both e-mailed and paper copies). Now we can just save the electronic copy. Please email ENTRIES to [smart.trial.secretary@gmail.com](mailto:smart.trial.secretary@gmail.com)

-- We further encourage PayPal payments for those e-mailed entry forms! Now we've saved paper for the entry form AND an envelope for the payment. SMART's PayPal account is [SMARTdogagility@gmail.com](mailto:SMARTdogagility@gmail.com)
